

# Daybench

DESIGNED IN 2016

ASSEMBLY NOTES | REV 00

NO CLEVER CATCH PHRASE NECESSARY.

This is a beautifully proportioned and well executed bench. It does not connect to the internet, disrupt industry or reimagine a damn thing. It's just good.

## Additional Information

### CLEAN

Dust your leather upholstery regularly with a dry cloth.

### SPILLS

For stubborn stains and spills, a lightly damp cloth with warm water should be blotted on the stain to lift and remove it. If this does not work, a mild dish soap and water solution should be mixed and then blotted to release the stain and then blot again with dry cloth. This should never be done heavily or in a scrubbing motion.

### AVOID

Keep upholstery & felt furniture out of direct sunlight and away from heat sources; excessive exposure to sunlight may fade the color of the upholstery. Avoid placing heavy or sharp objects on the furniture surface for long periods of time; this can cause permanent indentations in the upholstery.
