

Peek Marble Top

DESIGNED IN 2025

ASSEMBLY NOTES | REV 00

NOTE

Marble sets in place on top of the storage unit. Not intended or suited for the preparation or presentation of food. Natural stone will have variances in appearance and each piece is unique.

PROTECT

Marble and stone are porous materials. To help avoid stains we recommend sealing the honed marble, this should be done periodically to keep the surface protected. Please contact your local hardware store for professional guidance. Wipe up liquids quickly and use coasters.
