OVER-UNDER QUEEN BED

PRICE: \$2695

MATERIALS: DANISH PAPER CORD, SOLID WOOD

DIMENSIONS: 84"L X 64"W X 45"H

WALNUT

WHITE OAK

PRODUCT HIGHLIGHTS:

Refined Structure, Woven Detail: Over-Under pairs clean architectural lines with a handwoven Danish paper cord headboard, a subtle nod to tradition that doesn't dwell on nostalgia. It's a thoughtful contrast of softness and structure.

Designed for Balance: Everything is considered—elevated mattress height, integrated footboard, and solid wood rails keep the form grounded while allowing for clearance and cleaning. The proportions are bold yet practical.

Material-Forward Craftsmanship: This is the first bed in our assortment to feature woven cord, introducing a new layer of texture and craft. The result is quietly complex, where natural materials meet confident simplicity.

A Name That Nods to Craft: “Over-Under” is a playful reference to the weave itself with each strand passed carefully by hand, one over, one under. It's a modern take on heritage technique, reimagined for today.

Finish Options: Available in Walnut or White Oak with Natural Danish Paper Cord. Offered in Queen and King sizes. Assembly required.
